Office Based—Premium Dentist Database

Phones: +\$20.00/M

Fax: \$60.00/M

Minimum Order: \$400.00

DentistPro, an office based physician database, is compiled from more than 20 data sources, making this file one of the most accurate and complete in the areas most critical to healthcare marketers. Over 1 million multi-sourced Dentist records are combined and distilled to represent nearly every known office based Dentist in the US. This data is compiled and re-verified, up to 3 additional times, to ensure the greatest accuracy available at any price.
