

ANS BUSINESS EXECUTIVE MASTERFILE

B to B

FILE DESCRIPTION

ANS Business Executive Masterfile is one of the most complete sources available for accurate business contact information with over ten million business contacts at over 800,000 U.S. companies.

The ANS Business Executive Masterfile is built by an in-house data team by combining contact and company information from secretary-of-state business registrations, online self-reported and social network business listings; industry-specific professional directories; Chambers of Commerce; and, additional public sources. Every record in the file has been found in at least two separate sources to qualify for inclusion.
